ACE IT

Helping people over 50 access
the digital world

ACE IT Scotland is an Edinburgh charity which helps people over 50 develop their digital skills using everything from smartphones and tablets to laptops.

We provide:

Coaching
Tailored one-to-one coaching at our Nicolson Square offices.

Workshops
Various workshops including internet safety.

Communities
IT training courses for specific groups in the community.

Care Homes
Regular visits to care homes to help residents use IT for independence, inclusion and leisure.

Free Devices
Free refurbished devices from charity partner Edinburgh Remakery for our learners.

Our services are free!
