How is your GP Practice Doing?  
Your chance to tell your story!

This year the people of Sunderland told us that they would like us to look at GP Access as one of our main areas of work. In response to this we have designed this survey to help us discover how people access their GP practices, what is working well and what needs improving.

The survey should take no longer than 5 -10 minutes to complete and the closing date for the survey is 30th September 2022.
