

Blood test clinics in children's outpatients at Airedale Hospital

Please remind parents the times of [phlebotomy clinics](#)

If a child needs a blood test please ensure that the correct times for [children's outpatients phlebotomy clinics](#) are highlighted to their parents or carer, clinic details are shown below.

Airedale Hospital has had issues with patients turning up at the wrong time and while the hospital will try to accommodate them, it is not always possible due to the volume of clinics running and/or the number of staff available.
