

Blood Tests

Drop-in Opening Times For Other Local Clinics

These times are for adults and children aged 9 and over.

Location	Opening times	Any other Information
Airedale Hospital	Monday - Friday 8.45 am - 4.30pm	The phlebotomy service at Airedale is located in the Outpatients department, location A1
Skipton General Hospital	Monday - Friday 8.30am - 11.30 am	
Keighley Health Centre	Monday to Friday 8.30 am - 11.30 am. Monday, Tuesday, and Thursday 1.30 pm - 3.00pm	

Children's blood tests

For children aged 8 or under blood tests are **not** routinely taken by our phlebotomists in any of the above areas.

Children 3-8 years can attend the drop-in clinic in the children's outpatient department at Airedale Hospital (location B20/building 22) on **Wednesday and Thursday 2.30pm-5.00pm** and **Friday 2.30pm-4.30pm**.

Children aged under 3 years, please contact the children's outpatient department on 01535 292430 to make an appointment.

Please be aware – during exceptionally busy periods we may need to close the clinic earlier than stated. This is to allow us to complete the tests for patients already in the waiting area during our allocated opening times. Please accept our apologies if this causes any inconvenience.
