August 2021

Dear Patient Participation Group Member,

I am writing to further update you on the situation regarding the Group Practice in the present COVID pandemic situation.

As you know we are continuing to provide telephone consultations with qualified clinical professionals. In addition to this where appropriate we are providing face to face consultations at all sites. The Spring Hall site continues to be used for COVID vaccinations part of the week. We politely ask that anyone attending the sites abides by the continuing NHS guidelines by wearing a face mask and keeping socially distanced from others.

COVID Vaccinations

We hope that you have had your COVID vaccinations by now and once plans are known for the patients who are recommended to have a booster vaccination are known we will make the appropriate arrangements.

Boots Site

We received notice of termination of lease by Boots PLC for our Boots site. We informed all patients and invited them to complete a survey for us. This survey is now closed and the results will be made available in due course.

We would like to hold a PPG meeting virtually and would like to know how many members would be willing to join such a meeting probably via ZOOM. If you are happy to do this please email the manager at the email address given below.

If you have any queries or comments to make on this please email our Practice Manager on tracyworrall@nhs.net.

Thank you for your ongoing support in this difficult period.

Yours sincerely

Liz Coulson

On behalf of Spring Hall Group Practice
