30 September 2022

Dear Patient

## Change to opening time at Fountain Medical Centre

We would like to inform you that from Monday 31 October 2022 the opening times at Fountain Medical Centre will change to **8:00am – 6:30pm Monday – Friday**. The **telephone lines will also open from 8:00am – 6:30pm**

Since 2015 we have been providing additional access to GP services at the centre from 7:00am – 8:00am. Along with the other 7 practices in our locality a decision has been made for all 7 practices to move back to provide GP access in core hours 8:00am – 6:30pm.

We can assure you that this **will not affect or reduce the numbers of appointments** we offer at the surgery to our patients.

Additional appointments outside of GP core hours will be available for all patients to access in our locality. The appointments will continue at the Morley Hub (Windsor House Surgery) and the numbers will increase to offer extended access.

Many thanks for your co-operation.

Yours sincerely

The image shows two rows of handwritten signatures. The top row contains three signatures: 'Pao', a stylized signature, and 'Dail'. The bottom row contains three signatures: 'Slegner', 'Wogogre', and 'Jhar'.
