GP IMAGING REQUESTS - INFORMATION FOR PATIENTS

Your doctor has submitted a request for you to have an Imaging test that you need to make an appointment for by telephoning the Imaging appointments team using the guidelines below.

Please note: - The Imaging Team will need time to check and process your referral prior to being able to make your appointment. Some tests are more complex than others and the Imaging Teams will need longer to process them before you call us.

Your request will be returned to your GP if you do not make contact with the Imaging Department within 2 weeks of seeing your GP

Please now follow the relevant instructions below for making your appointment.

☐ **X-Ray Test**

Please wait 2 hours after seeing your doctor and call the X-Ray Imaging Appointments team to make your appointment (after 4:30pm, please telephone the following working day).

☐ **Ultrasound Scan** ☐ **Bone Densitometry Scan** ☐ **CT Scan** ☐ **MRI Scan**

Please contact Imaging Appointments team **after 11am on the next working day after your visit to your GP** to make your Ultrasound scan appointment.

Please telephone one of these departments to book your ***X-ray or Ultrasound scan*:-**
