

MH & Safeguarding Meeting
MS Teams Video Meeting - 8 June 2020

Derby Drug Alcohol Recovery Service (DDARS):

The operational manager for DDARS for the last 3 years and has a background of working as CPN, gave a general overview over the structure and working of our local service.

Dr. M (PS) then gave an overview of clinically relevant information.

Learning Event: 60 y old cannabis user, who stopped using cannabis when his driving license was revoked

- >> Never assume that someone with a habit of many years / decades can't or won't change
- >> Sometimes it's just that the right incentive is needed to change behaviour and overcome addiction
