POhWER
advocacy, making your voice heard

Are you unhappy with the care and treatment that you, or someone else, is currently receiving or has received from the NHS?

Do you want help to complain and get matters put right?

The statutory NHS Complaints Advocacy Service can help you to use the NHS complaints process.

NHS Complaints Advocacy is

- Free
- Independent
- Confidential

NHS Complaints Advocacy works within the NHS complaints regulations.

NHS Complaints Advocacy can:

- ✓ Support anyone to make a complaint about the service, care or treatment provided to you by the NHS
- ✓ Support you to make a complaint on someone else's behalf, including if someone has died,
- ✓ Listen to your concerns
- ✓ Signpost you to the right organisation in the right area if we think that we are not the right organisation for you
- ✓ Answer questions about the complaints procedure and explain your options
- ✓ Provide a step by step guide to the complaints process and some tips
- ✓ Provide you with a POhWER advocate, an experienced worker who can help you make your complaint and support you through the process
- ✓ Support a young person under 16 if they have capacity to reach their own decisions. If a child does not have the capacity to make a decision about their treatment, only a parent or guardian may complain on behalf of their child without permission

NHS Complaints Advocacy can't:

- ✗ Usually work on complaints that are over 12 months old unless you have only just found out that you have cause for complaint, or have some other good reason for not complaining sooner
- ✗ Investigate complaints
- ✗ Give legal advice
- ✗ Give medical advice
- ✗ Provide counselling

- ✗ Help with issues not covered by NHS Complaints Regulations, such as privately funded treatment, personnel matters, such as getting staff disciplined or contractual matters
- ✗ Help with legal action and matters relating to compensation
- ✗ Provide a secretarial service

We aim to work with everyone, taking account of their needs.
