## Uppingham Surgery Autumn/Winter Vaccinations Programme - December Update

### Flu & Covid - December 2024 Update

The Flu vaccine is still readily available here at Uppingham Surgery, if you're eligible and would like to book our next available appointment, please contact the surgery directly on 01572 823 531.

The Covid Vaccine can be provided locally through the national booking system. Please use below link to see which local services are hosting upcoming clinics:

<https://www.nhs.uk/nhs-services/covid-19-services/covid-19-vaccination-services/book-covid-19-vaccination/>

Please see below the NHS guidance pages for each vaccine if you would like more information:

- [Influenza \(Flu\) - https://www.nhs.uk/vaccinations/flu-vaccine/](https://www.nhs.uk/vaccinations/flu-vaccine/)
- [Covid Vaccine - https://www.nhs.uk/conditions/covid-19/covid-19-vaccination/](https://www.nhs.uk/conditions/covid-19/covid-19-vaccination/)

### Shingles and Pneumococcal Vaccines

Shingles and Pneumococcal vaccinations will continue to be offered to people throughout the year as they become eligible.

### RSV Vaccine

A new respiratory vaccine will also be offered to our patients here at Uppingham Surgery, guidance and eligibility can be found at:

<https://www.nhs.uk/conditions/respiratory-syncytial-virus-rsv/>.

Invites will be sent to patients who are eligible for the vaccine.
