NHS Lincolnshire Integrated Care Board  
United Lincolnshire Hospitals NHS Trust

**In association with:**

**WE ARE  
MACMILLAN.  
CANCER SUPPORT**

ROY CASTLE  
LUNG CANCER  
FOUNDATION

Our Lung cancer support group is held at Jubilee Village Hall, Heighington. This is a very warm and friendly space where you will be made to feel comfortable and you are under no pressure to share – but can take the support that you need.

Each meeting will have dedicated guest speakers who will give talks about a variety of interesting and supportive topics.

### **Who is the meeting for?**

The group helps to support patients with a diagnosis of lung cancer or mesothelioma or if you are post lung cancer surgery. You can even bring along a friend or family member.

### **When does the group hold sessions?**

The meeting is held every three months and is in person.

### **Where does the group meet?**

Jubilee Village Hall  
High St  
Heighington  
Lincoln  
LN4 1JS

### **What time does the group meet?**

11am to 2pm

For more information on dates and topics please scan this QR code to visit our website, or you can call your MacMillan lung cancer clinical nurse specialist on 01522 573041
