## THE NHS FRIENDS AND FAMILY TEST

We welcome patient feedback to tell us what we are doing right and what we can improve.

Thinking about

Overall, how was your experience of our service?

Very good	Good	Neither good nor poor	Poor	Very poor	Don't know
<b>◎</b> •					?

Please can you tell us why you gave your answer?									

Please note - completing this additional information is <u>optional</u> but helpful to the NHS in understanding the needs and experiences of individual patients.

## A little bit about you:

			_				
Are you?		What age are you?			Do you consider yourself to have a physical
