

Integrated Neighbourhood Working - Your voice matters!

What matters to you?

We are keen to work with individuals, families and community group members who live in Cotgrave to understand what matters to you in relation to Your Health, and to help you live happier, healthier lives.

This work is in its early stages, but please could you take the time to complete this short questionnaire. Your help in doing this is much appreciated.

We would love to hear from you!

We are committed to providing equal access to healthcare services to all members of the community.

To achieve this, gathering the following information is essential and will help us ensure that we deliver the most effective and appropriate healthcare.

Responding to these questions is entirely voluntary and any information provided will remain anonymous.

If you would like further information on this work or would like to get involved, please send an email to nnicb-nn.cotgrave-inw@nhs.net or alternatively, please provide your preferred method of contact and details on this form below.

Will my taking part be kept confidential?

This survey contains some questions where you can write freely. When providing responses to these, please do not write any information that may identify you (for example, name or address). Your responses may be recorded but the data you provide will be anonymised, so we will not analyse or share any information that will make you identifiable.
