

# We are proud to be part of research

Last year, at **The Calverton Practice**

we supported people  
to participate in **3**  
research studies

supporting research in:

**+** Dementia

**+** Osteoarthritis

**+** Staff Skill Mix

Taking part in research  
helps us to improve  
health and social care

## Across the East Midlands in 2019/20...

**11,171**  
people

took part in  
**61** studies

at **259**  
GP practices

For more opportunities to take part  
in research, ask your doctor or visit:
