

Carers Space Notts

Are you an unpaid carer in Nottingham or Nottinghamshire, taking care of someone who relies on you for support?

We need your help!

- Nottingham & Nottinghamshire ICS, Nottinghamshire County Council and Nottingham City Council are looking for carers to co-produce a new **Carers Information Booklet**.
- This booklet will be shared with carers and contains a wide range of information and guidance. With changes in services across the city and county, it is ready to be updated.

If you would be interested in being involved in co-producing the content, layout, design and distribution of the booklet, we'd love to hear from you.

Timeline: September-December 2023

Involvement would include:

- Attendance at meetings online or in person at times agreed with the group (one meeting every 2-3 weeks)
- Providing feedback on drafts by email
- Providing feedback by telephone
