What's the difference?

- This is a series of events held in local communities designed, prepared and produced by carers, for carers

Are you a carer?

- If you are looking after someone and caring for their needs, you are a carer

Why bother?

- Because many people don't know that there are support groups, campaign groups and communities of interest aiming to help carers in Nottinghamshire

Are you being supported to be a carer?

- Come along and find out
