

# DO YOU USE HEARING AIDS BUT STILL STRUGGLE TO HEAR, EVEN SOMETIMES IN QUIET PLACES?

**YOU MIGHT BE ABLE TO TAKE PART IN  
A RESEARCH STUDY**

**ADULTS WITH SIGNIFICANT HEARING  
LOSS IN BOTH EARS ARE NEEDED FOR A  
RESEARCH STUDY**

Help us find out whether cochlear  
implants or hearing aids work better in  
a target group

COmpARING Cochlear implants with Hearing  
aids in adults with severe hearing loss

**FIND OUT MORE. GET INVOLVED.**
