

PUBLICATION OF JUBILEE PARK MEDICAL PARTNERSHIP GP EARNINGS 2021/2022

All GP Practices are required to declare the average earnings for GPs working to deliver NHS services to patients at each practice.

The average pay for GPs working at Jubilee Park Medical Partnership in the last financial year (2021/22) before tax and National Insurance was £66,872.

This was for 1 full time GP, 6 part time GPs and 2 locums who worked in the Practice for more than 6 months.

It should be noted that the prescribed method for calculating earnings is potentially misleading because it takes no account of how much time doctors spend working in the practice and should not be used to form any judgement about GP earnings, nor to make a comparison with any other practice.
