

Welcome to 4Doncaster Primary Care Network

The 4Doncaster Primary Care Network was established in 2019 by four practices situated in central Doncaster:

- The Burns Medical Practice
- The Kingthorne Group Practice
- The Mount Group Practice
- The St Vincent Group Practice

What is a Primary Care Network? (PCN)

A primary care network (PCN) is a group of GP practices working closely together, with other local organisations, such as voluntary, community, social care, hospitals, and pharmacies. They will provide integrated services to the local population.

4Doncaster Primary Care Network

- The network population is approximately 55000 patients spread equally across the four practices.
- The practices have come together as a network in order to be able to respond in an agile, flexible and responsive manner to changes taking place in the NHS by the establishment of networks of practices.
- The establishment of the 4Doncaster network has enabled the recruitment of additional staff, including clinical pharmacists, pharmacy technicians, social prescribers, physiotherapists, Care Coordinators.
- The aim is above all to improve the service that we provide to patients by targeting and focussing resources so that patients are seen by the most appropriate healthcare professional.

Message from our Clinical Director: I hope 4Doncaster can continue to strengthen the four practices and deliver high quality services with investment and funding.

Meet our team!

Clinical Director

Dr N Tupper

Primary Care Network Coordinator

Rebecca

Care Coordinators

Clare, Gemma, Heidi, Jade, Kirsty

Pharmacy Team

Current services held at Rutland House on behalf of the 4 Doncaster Practices

- Covid 19 and Flu Vaccinations
- Physiotherapist appointments
- Blood Pressure Detection Clinic

In the future this list of services will continue to expand. Physio and blood pressure appointments will all be arranged via your GP Practice or the Care Coordinators at 4D. Covid Vaccinations are available to book by ringing 01302 731750 and speaking to our Care Coordinators.
