Book On The Day & Appointment Surgeries

Telephone from 8am to make a book on the day appointment with your GP, this can be a telephone or face to face appointment.

You can also make a telephone or face to face appointment up to 4 weeks ahead by telephoning during surgery hours or booking on-line (same process as ordering prescriptions on line, detailed below).

If you are unable to keep an appointment, please let us know.

Access

Our purpose built surgery has car parking available and easy access for wheelchairs. Users of the Disabled Bay must display a Blue Badge.

Repeat Prescriptions

You will receive a list of your repeat prescriptions. You can now choose to order your repeat prescriptions online. Please speak to a receptionist and they will organise your password. Alternatively you can tick the items you require on the slip and either post or deliver the slip to the surgery.

Please only order the medication you need.

Please allow a minimum of 5 working days for collection

We can dispense medicines for most villages, except Kimbolton, Stonely and a few outlying villages. If you live in one of these villages you will be given a prescription to take to a chemist.

Home Visits

If you are too ill to come to the surgery, a home visit can be arranged by telephoning the surgery, preferably before 10.00am. Please be prepared to give details to our receptionist as this will help us to see the most urgent cases first.

Results

If you have any tests, do remember to contact the surgery for results, after 10.00am any weekday. Cervical smear results will be sent to you by the Health Authority.

Training at the Medical Centre

GP Registrars: We are accredited as a training practice. A Registrar is a qualified doctor undertaking further training to become a GP. Their previous work has been mainly in hospital.

Medical Students: Twice a year we have 2 medical students in their last year at Medical School who spend 6 weeks with us to learn more about general practice. They also see patients, but only with your consent.
