

PENNYROYAL TATTOO STUDIO

St Neots Pennyroyal Tattoo Studio want to provide a safe and informative space for clients to receive support and the tools they need to understand their self-harm better. We want to make sure that you don't struggle with difficult feelings alone.

We'd like to create a pack to give out at the studio but we need to know what information might be useful..

DO YOU THINK YOU CAN HELP?

Whether you're someone who self-harms or know someone who does, scan the QR code below and fill in the anonymous survey.
