

East Norfolk Medical Practice

LESBIAN, GAY, BISEXUAL OR TRANS (LGBTQ+) AND THINKING ABOUT ADOPTION?

The number of LGBTQ+ people becoming parents is increasing.

If you're thinking about having children, below are various routes to parenthood available to you.

- Donor insemination
- Co-parenting
- Adoption or fostering for LGBTQ+ couples
- Surrogacy
- Trans and non-binary parents

If you would like any more information, please speak to reception for an information pack.
