

Private Services List & Fees (Non-NHS services)

Price List from 1st January 2025

We offer a range of private services designed to meet specific healthcare needs not covered by NHS funding. For a detailed list of services and associated fees, please refer to the pricing information below.

Please note that not all services are available at every practice within Modality. If you have any questions or require clarification, please speak to our reception team who will be happy to assist.
