ADVICE AND SUPPORT

An important note from our later life planning manager Jesse about state pension and benefits: 'If you're coming up to pension age and are in receipt of means tested benefit, you must inform the relevant benefit agencies, including the Department for Work and Pensions and your local benefit department, to report a change of circumstances,' says Jesse This is because your income will change to state pension once you reach state retirement age. 'People must do something about this - otherwise they risk their benefits being suspended or stopped,' says Jesse. 'We have spoken to people who are in a great deal of stress, particularly those on disability benefits, because their benefits have been stopped!'

For more information contact Barnet council on **0208 359 2000**. Contact our Later Life Planning team on **020 8203 5040**.
