

Constitution for the Patient Participation Group

Islington Central Medical Centre

1. Introduction

General Practices have a responsibility to involve patients in relevant issues relating to the Practice and to respond appropriately to patients' views and experiences

2. Purpose of the Group

The purpose of Islington Central Medical Centre Patient Participation Group is to act as a two-way channel between the practice and its patients, seeking patients' views and supporting the practice by making suggestions as to how its services and facilities might be improved

The group will act as an advisory body for Islington Central Medical Centre and will champion patient views and provide quality assurance that patient, carer and public concerns (needs) are taken into account so that services are provided in an appropriate, safe, effective and timely manner for the population. While Islington Central Medical Centre will make every effort to take cognisance of the PPG's deliberations, it does not guarantee to be bound by them

The group is NOT the channel for patient complaints. There is a formal complaints procedure which should be observed and details of which can be obtained from the Practice Manager or Office Manager

3. Role and Objectives

The Patient Participation Group (PPG) will be one way in which the practice will communicate and build positive relationships with its patient population

The Core Objects of the Patient Participation Group shall be:

- To champion appropriate and meaningful engagement with patients and carers and to ensure engagement activity is as inclusive and effective as possible
- To act as a 'sounding board' for the doctors and practice to ensure patients' needs are considered in the development of the practice systems, e.g. appointment systems and telephone systems, providing information about and promoting understanding of such system amongst patients
- Ensure patient participation and consultation of new developments
- To act as patient champions feeding into practice, feedback on services provided

- To enable patients to make positive suggestions for healthcare
- To encourage, support and promote good health education /health promotion and practice
- To report any arising concerns in regard to patient, carer and public views/experiences of health services to the Partners and Practice Manager at Islington Central Medical Centre
- Share local knowledge, experiences and feedback from other groups and networks relevant to discussions.

4. Membership

The membership of the Patient Participation Group (PPG) will include:

- 10 Patient representatives
- 2 Practice representatives

Patient membership will be open to anyone registered with the Practice

Patient members do not need to represent other interest groups, but efforts will be made to ensure a spread of membership in terms of age, gender, ethnic groups, carer representation etc

Membership / interests of the group will be kept up to date on the Practice Website / Practice Notice Boards and in communication in Patient Newsletters

5. Meetings

- Meetings will be open to registered patients
