

NHS SOCIAL PRESCRIBING

Do you have social, emotional or practical concerns and need support?

Our Social Prescribing Team may be able to help.

Social Prescribing can link you in to support within your community to help you work towards a more fulfilling life.

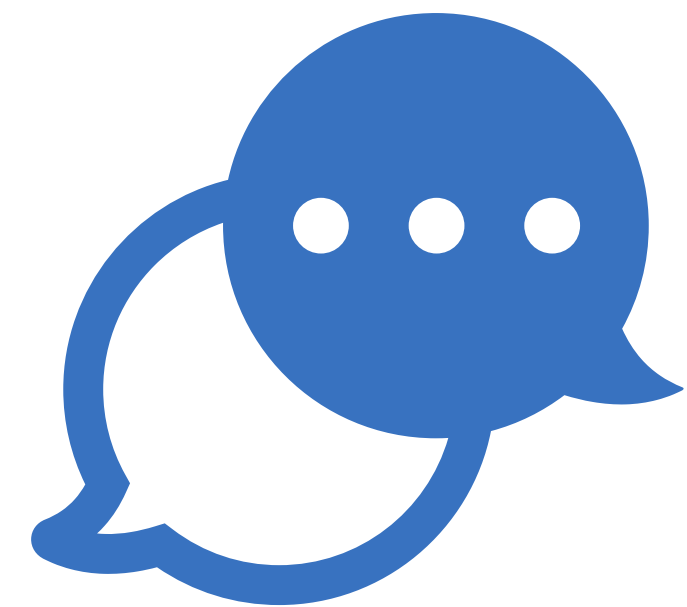

Speak to a member of the Surgery Team to find out more and book in your initial telephone consultation with a Social Prescriber.

NHS SOCIAL PRESCRIBING

**To all clinicians and teams,
Please refer to our Social Prescribing Service!**

If you identify patients who require **social, emotional or practical support** during your consultations, please mention Social Prescribing and book patients into our clinic for an initial telephone consultation.

"Social Prescribers provide a holistic approach, giving you time to focus on 'what matters to you.' Social Prescribers refer and signpost you to relevant services within the community to help you work towards a more fulfilling life."

If you have any queries, please screen message Lead Social Prescriber, Katy Szita or email katy.szita@nhs.net.
