

# A **FREE** air pollution alert service from your local council

Do you or someone you know have a heart or lung condition? Air pollution can harm your health.

Receive free alerts to your home phone, mobile or by email on days of elevated air pollution, or download an app on your smart phone to view air pollution, UV, pollen, and temperatures for today and tomorrow.

The message and app will also include some precautionary health advice.

## Sign up today by:

- Downloading the *airTEXT* app to your smart phone
- Texting **AIRTEXT** to **78070\***
- Visiting the website **www.airtext.info**

*\*You will be charged at your standard text rate.*
