

Are your  
medicines

Working  
for you

The text 'Q1:' is displayed in a large, bold, white font on a teal background. To the left of the text are several colorful, abstract shapes: a blue and pink pill-like shape, a purple circle, and an orange shape.

Do you think your medicines are improving your health, or stopping your health from getting worse?  
If so, in what way are they working?

The text 'Q2:' is displayed in a large, bold, white font on a teal background. To the left of the text are several colorful, abstract shapes: an orange circle and a blue shape.

When was the last time you didn't take at least one of your medicines?  
Why was this?

The text 'Q3:' is displayed in a large, bold, white font on a teal background. To the right of the text are several colorful, abstract shapes: a blue circle and a purple shape.

Have you experienced any unwanted side effects from your medication?  
If so, what have you noticed?
