Patient Access <https://www.patientaccess.com/>

This is a useful app for booking appointments. You can view and book routine appointments at the Practice 2 weeks in advance, or if you feel your problem will not wait we have 48 hour appointments. We also release any unused on the day appointments for patients to book. It is a simple process to register but you must come to the surgery to complete a form and show photo ID. This is because you can also:

- Order repeat prescriptions
- Request repeat medication at your convenience, with automated delivery of your prescription to your preferred pharmacy
- View your medical record
- Keep track of your medical record, including problems, test results, immunisations and allergies

*Please remember that we offer a **complaints procedure** which complies with NHS standards and if you have a specific issue about the care you have received then please contact us directly detailing your personal concerns or ask a member of staff to assist, as the FFT is not an appropriate way to deal with your personal concerns. Inappropriate responses will not be published. We attempt to resolve problems swiftly and take action as appropriate if we have failed to achieve the high standards we aim for making your experiences count.*
