*Please remember that we offer a **complaints procedure** which complies with NHS standards and if you have a specific issue about the care you have received then please contact us directly detailing your personal concerns or ask a member of staff to assist, as the FFT is not an appropriate way to deal with your personal concerns. Inappropriate responses will not be published. We attempt to resolve problems swiftly and take action as appropriate if we have failed to achieve the high standards we aim for making your experiences count.*
