Privacy Notice - HR, Staffing, Employment, Recruitment & Training

This Practice collects and stores information pertaining to staff for the purposes of HR, employment, recruitment and training.

Information is collected and stored about prospective, current and past employees, including selfemployed and temporary staff.

Data is collected for purposes including recruitment, occupational health, vetting checks, staff training and payroll.

We share information with the following organisations with your explicit consent or when the law allows: future employers reference request and HM Revenue & Customs.
