

Privacy Notice – AccuRx

As part of the Digital First National programme of work, GP Practices are required to provide a tool for patients to access primary care services.

The aim of the Accurx platform is to improve communications between healthcare staff and patients resulting in improved outcomes and productivity. The platform facilitates digital communications between the practice and our patients.

Using the Accurx platform will require the processing of special category data by Accurx, their sub-processors and by default the GP Practice as a Controller. This will include; exchanging and storing messages in relation to patients and medical staff, performing video consultations (these will not be recorded or stored) between healthcare staff and their patients This will allow you to respond to the Practice in multiple ways such as; free text, questionnaires and submitting images/documents.

If you have a non-urgent healthcare concern or need to contact the Practice for any medical or admin reason, click on the online via our website or via [NHS app](#) or via [NHS website](#). Fill out the online form, which will then be reviewed and processed by our healthcare professionals to decide the right care for you. We will respond to every online request 2 working days

Accurx is approved by NHS England to be used by GP practices and the other systems involved in patient care. NHS England has a lengthy assurance process to make sure they meet the highest standards of safety and security. Your data is safe and is shared only with your GP Practice for the purposes of your direct care. Your data is stored and sent securely using industry best practices, and Accurx only collect the data that is necessary to allow your GP Practice to provide you with care.

The Practice uses the following Accurx features:

- SMS, Friends and Family test, online consultations, video consultations, AccuMail, Record Views, accubook and patient can document and photos.,
