

## Become a Digital Champion and help your local community get connected!

- ✓ Do you enjoy using digital technology for example, email and the internet?
- ✓ Do you have 1-2 hours free each week?
- ✓ Are you a good communicator and enjoy teaching people new skills?
- ✓ Are you able to work with people on a one-to-one basis or a small group?

## Then why not become a Digital Champion to support your local community with their healthcare?

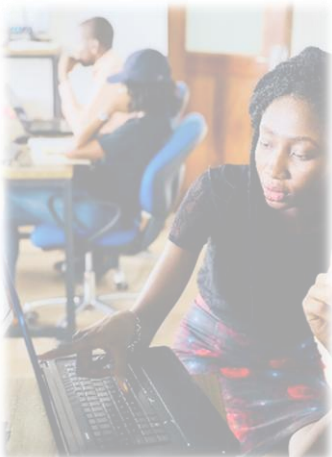

### This could involve things like:

- Teaching someone to use the internet and Google
- Helping someone to access online healthcare services
- Explaining computer terms and internet jargon
- Showing someone how technology can help manage their personal life *e.g. Online Shopping/Banking & NHSApp.*

### In return, you'll get:

- Free online training so you know better how to work with others and what sort of things you could teach them
- The opportunity to support your local NHS services as well as developing your own skills and knowledge about digital technology
- **Rewards and awards!** You'll receive **CPD-accredited Certificates**, an online Open Badge for each Digital Champion course you complete (you can put it on your CV) and much more!
