

We are delighted to introduce the first edition of the Friends of Leacroft Newsletter.

In this newsletter, you'll find more about our activities, upcoming events, and opportunities to get involved with Friends of Leacroft. You might be wondering who we are. We are a group of registered patients at Leacroft Medical Practice who volunteer our time to support the practice by offering feedback, organising events, and benefiting all patients in the community. To find out more about Friends of Leacroft and how to join us, please scan the QR code below.

Diary of Patient events in July

(*) For the Film Club, please leave your name with the reception - Thank you.

How did the Practice do in May?

During May, the surgery carried out a total of 4964 appointments, with a notable 71% of them being face-to-face with patients. Unfortunately, 164 appointments were missed by patients.

We kindly remind you to **cancel your appointment if you cannot attend**, as this gesture can be crucial for accommodating other patients in need. Your cooperation is highly appreciated. Thank you.

Brighton day trip!

We recently organised a Brighton day trip for patients and staff on 18/6/2024, filled with fresh air, laughter, and relaxation. Under the warm blue sky, they savoured tea, lunch, and the soothing sound of waves. The seafood aroma and warm sunshine brought smiles to everyone's faces. This unforgettable day served as a reminder of the various paths to health and well-being.

Keep strolling, walking, and laughing for a simple, joyful experience!
