

National No Smoking Day 2024

This year we are celebrating 40 years of No Smoking Day.

The history of No Smoking Day

National No Smoking Day originated in the Republic of Ireland in 1984 on Ash Wednesday when the ruling clergy suggested giving up cigarettes for Lent. Since then, this significant day has evolved, and in 2024, we're gearing up to celebrate on the 13th of March – a day dedicated to taking a positive step towards a healthier, smoke-free life!

[You can access No Smoking Day resources via this link directing to the Department of Health and Social Care's campaign resource centre.](#)

Support for your patients

To support your patients in their journey to quit smoking, we're excited to share some valuable resources and assistance:

Go online:

www.smokefreehampshire.co.uk and use the secure referral form
