

Are you a parent with bipolar?

Do you have a child aged 4-10 years old?

We are recruiting paid participants to test how helpful online parenting support is for parents with bipolar disorder

You will be asked to:

- Complete a screening interview (online)
- Complete questionnaires at 0, 24 and 48 weeks
- Either access the parenting support and follow treatment as usual OR just follow treatment as usual (decided randomly)

You will receive:

- Payment: £40 for interviews and £10 to complete questionnaires at 24 and 48 weeks
- Support to complete assessments (if required)
- The chance to contribute to research aiming to improve the lives of parents with bipolar and their children
