

# Parent/carers from ethnic minority groups with a child who has a confirmed/suspected neurodevelopmental disorder!

**We are looking for parent/carers of a child or young person.....**

with diagnosed or a possible neurodevelopmental disorder (such as Autism, ADHD, tic disorders, intellectual disability)

identify as belonging to (or have dual heritage) or an Indian, Pakistani, Black-African ethnic group

who is 6-18 years old

Would you be willing to take part in an interview or focus group online or on the telephone at a time to suit you to share your experiences of being a parent/carer of a child with diagnosed or possible neurodevelopmental disorder?

We are looking to understand the experiences of families from ethnic minorities who have a child with a diagnosis or suspected diagnosis of a neurodevelopmental disorder e.g. autism, ADHD, OCD, Tourette's.

If you are interested in hearing more, please complete this online consent to contact form (QR code and link) and a member of our team will contact you to provide more information.
