

TRAINING & DEVELOPMENT OPPORTUNITY

Free Training for our workforce in Leeds. Delivered by **Jan Proctor King**.

- ✓ Maximum of 50 places available, with all training offered virtually.
- ✓ 1 Full day accredited by the PCI training.
- ✓ Workforce resilience and support for you and your wellbeing included.
- ✓ Training available for all the Primary Care workforce

Motivational Interviewing and Goal Setting: Thursday 30th June 2022

A day for the all the Leeds Health workforce who work with people to support goal setting. This will review the act of goal setting, its importance, and the rationale for healthcare workers to become confident and implement goal setting more within the medical environment.

BOOK HERE | <https://www.eventbrite.co.uk/e/goal-setting-and-motivational-interviewing-day-tickets-293646633987>

Online Training | To be completed if possible, prior to training days above

It is expected that all delegates wishing to attend have completed some preparatory training, so they have good insight into the sessions and are able to contribute to these highly interactive days.

Better Conversations
