**Dementia**

Dementia support is embedded in the heart of our services. We support families, carers, and people with dementia at home by providing advice, equipment and signposting to local services. Offering information and practical guidance with day-to-day challenges, will help people remain independent and stay active for as long as possible.

**“I would like to say a big thank you for all the things that Care & Repair Leeds have done for my Mum. The work was so well done. Thank you again.”**

If there is someone you know who may benefit from these services, please contact our friendly Customer Services Team. All we ask is that you treat our staff and contractors with courtesy and respect.

An initial assessment will be completed over the phone, which may be followed up by a home visit.
