The practice in collaboration with practices in the South & West Herefordshire Primary Care Network (PCN) collectively provide health prevention and educational activities targeting specific population groups to improve access, which address inequalities or variations. We will work with our community in our PCN geography to identify fit-for-purpose premises for these outreach services ensuring health and safety risk assessments and statutory requirements are in place, which will run at variable temporary satellites, as they are available with required workforce. Eligible patients will be contacted directly by the practice to book in these services.

**Description of the location**

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

The building is a two-storey site with car parking facilities. All patient services are on the ground floor with level access. There are dedicated car parking spaces for the patients and also for the disabled with automatic doors at the entrance. The ground floor consists of 1 pharmacist room, 1 treatment rooms, 2 practice nurse rooms and 9 consulting rooms. We have a toilet available for patients with disabled access and a large waiting area.

On the first floor, we have a large staff room and kitchen, a Typing and Coding Office, a Deputy Manager and Care Co-ordinator's Office as well as the Practice Managers Office. This floor also has a male and a female toilet.
