As you would like to register as a patient at Wargrave, but your address is out of our postcode area, the Doctors are happy to accept you as an "Out of Area Patient".

We are directed by the Health Authority to deduct out of area patients however as our GP's have agreed for you to remain you will have to re-register. Please complete the registration form below. Without this form completed and returned you will no longer be registered.

You will no longer be eligible for home visits.

Should you require a home visit, you will need to telephone 111.

Yours sincerely

Administration Team
