

MAYFIELD SURGERY PATIENT PARTICIPATION GROUP

Are you interested in finding out more about our practice and the development of local health services?

We are actively seeking patients to join our patient participation group. We need patients of any age, gender or background to attend meetings to discuss any ideas or changes you may have for the practice.

If this is something that you may be interested in or wish to discuss further, please contact Mrs Allie Cusick, Operational Manager.

By phone on: 01782 793064 or

By email: Alexine.cusick@stokeccg.nhs.uk
