

**TRENT VALE MEDICAL PRACTICE  
NON-NHS FEES 2021 / 22**

The majority of work we undertake is funded through the NHS and is provided free of charge. However, we also offer a number of non-NHS services which incur a fee.

**PLEASE NOTE** – pre-payment of fees is required in **all** cases by cash or cheque only. Appointments for medical examinations cannot be arranged until pre-payment has been made. If any reports or information are required in less than 48 hours from request, an additional 50% charge may be applied. Additional fees may apply if requests for alterations are made after the information has been provided
