

## CHOOSE THE RIGHT CARE FOR YOU AND YOUR FAMILY

### SELF CARE

Treat yourself at home with a stocked up cupboard of medicine for minor injuries and illnesses like coughs and colds.

### LOCAL PHARMACY

Provides confidential, expert advice and medical treatment for a range of common illnesses.

### NHS111

For when you need medical help fast, but it's not a 999 emergency.

### YOUR GP

Have an illness or injury that won't go away? Make an appointment with your GP.

### NHS WALK-IN CENTRE

Minor Injuries Units and Walk-in Centres (Civic Way, Swadlincote Tel 01283 818000, Osmaston Road Derby Tel 01332 224700, Samuel Johnson Community Hospital Tel 01283 566333)

### A&E OR 999

Life threatening emergencies and care such as chest pain or broken bones. Please ensure you use A&E responsibly and save it for those people who really need it.

## YOUR PRACTICE GUIDE

“Our aim is to offer the best personal care to you and your family”

## OUR PATIENT PARTICIPATION GROUP

Our patient group helps us by looking at some of the services that we provide and giving us feedback from a patients perspective as to how it effects them.

We usually meet once every other month and by working with our patients we try and organise our services, and some of our systems, to ensure it is as patient friendly as possible.

If you would like to join this group please let us know and we can pass on your details to the Chairperson who will advise you when the next meeting is.

This group represents all our patients and new members are always welcome.

## NHS ZERO TOLERANCE

Wetmore Road is an **NHS Zero Tolerance Zone**. There is a sign explaining this policy at the entrance to reception.

We are all here to help you and will do our best to do so at all times, so please help us by treating all of our staff with respect.

**There are CCTV cameras in both the reception area and in the corridor.**

## WETMORE ROAD DOCTORS

### Dr S Law

Dr Law is the lead partner for the IT within the practice. He has an interest in minor surgery, sports injuries and joint injections.

### Dr D Hallam

Dr Hallam is the lead partner for finance in the practice. He has an interest in Men's Health.

### Dr S Baldock-Grimes

Dr Baldock-Grimes is the lead partner for Practice Staff and Personnel. She has an interest in Women's Health and Palliative Care.

### Dr M Kaye

Dr Kaye is the lead partner for the GP Contract. She has an interest in Contraception and Sexual Health.

### Dr A K Prasad

Dr Prasad is the lead partner for Safeguarding and particularly interested in Clinical Commissioning and represents the practice at local level. She is also an examiner for the Medical school at Warwick University and a GP Appraiser.

### Dr D Turfrey

Dr Turfrey joined the practice in April 2022 and is now our lead partner for education and training.

### Dr T Ajmal

Dr Ajmal joined the practice as a permanent member of the team in September 2019 and has an interest in Women's and Children's Health.

### Dr L Rhodes

Dr Rhodes joined the practice in July 2017. She has an interest in Children's Health and Palliative Care.

### Dr L Handley

Dr Handley joined the practice as a permanent member of the team in February 2022.

### Dr A Abiola

Dr Abiola joined the practice as a permanent member of the team in August 2022.

## PRACTICE CATCHMENT AREA

We provide care to patients in parts of the Burton area. To see the map at the surgery, please ask at reception or visit our website: [www.wetmoreroadsurgery.co.uk](http://www.wetmoreroadsurgery.co.uk)

We encourage **all** members of the family to register with the practice.

## HOW TO REGISTER AS A PATIENT

If you are in our surgery catchment area and would like to register with the surgery:

- ◆ The easiest way is via the NHS app.
- ◆ You can also visit our website, download the registration forms – hand your completed forms into the surgery.
- ◆ Contact the surgery and speak to a member of the reception team

Upon receipt your registration will be processed and your medical records will be requested from your previous practice.

## PATIENT COMPLAINTS

Occasionally the service you receive may fall short of what you expect. Most of the time this can be explained to your satisfaction by discussion with the Practice Business/Operations Manager or your Doctor.

However, sometimes you may wish to make a complaint and we have a policy, which will assist you in doing so in the most appropriate way.

A copy of the policy can be obtained from the Practice Business Manager on request.

## INFORMATION SERVICES FOR PATIENTS

We aim to provide a large range of information to help you understand your health and our care better.

The surgery provides up to date information sheets from the surgery computer system, leaflets in the waiting room and entrance foyer and on the notice board displays. Our new TV Screen will also provide you with current health messages and Information

The Practice Newsletter is produced 3 times a year and gives information about people working at the surgery together with interesting health news. Ideas for future editions are very welcome.

Information is also available on the surgery website [www.wetmoreroadsurgery.co.uk](http://www.wetmoreroadsurgery.co.uk)

You can also now follow us on our Facebook page

## PATIENT PREFERENCE OF PRACTITIONER

You can request a doctor of your choice but this will depend on availability.

## PATIENTS AGED 75 YEARS AND OLDER

May request a health check every year with the Practice Nurse if they are not already under regular review. A home visit may be required at the doctor's discretion. Patients of 75 and over will have a named GP who will have overall responsibility for their care.

Please ask if you are unsure who your named GP is.

## NAMED ACCOUNTABLE GP

Each patient is allocated an accountable GP who has overall responsibility for their care.

## APPOINTMENTS

Can be booked by telephone, in person or online via the NHS app.

Some routine appointments are available to book usually 2 - 3 weeks ahead.

On the day appointments are available each day from 8am. We will always try to see urgent cases the same day.

Reception will ask you some brief details to ensure you see the most appropriate clinician. The clinician will make every effort to contact patients who have booked a telephone consultation and will offer a face to face appointment if it is required. Often all that may be necessary is for the doctor to give advice over the telephone.

## Home Visits are for medical reasons only.

**Babies and young children-** Please ring the surgery first with any concerns, and where appropriate we will do our best to fit them in without delay

When attending for a face to face appointment, please ensure you have checked in with reception.

When the doctor is ready to see you, the TV screen at the front of reception will indicate your name, the clinician you are seeing and the room number.

If you are unsure how the system works please ask our reception team, who will be happy to help you.

## LENGTH OF APPOINTMENTS

If you think you will need more than the allocated 10 minutes for an appointment please ask for a double appointment.

If you require more than one member of the family to see the doctor or nurse, please inform the receptionist, so that sufficient time can be allocated.

**One appointment is for one person.**

## CANCELLATION OF APPOINTMENTS

Please remember to cancel any appointment you have made that you no longer need or cannot make, as it can then be used by another patient. We ideally need at least 2 hours notice to help us try and ensure another patient can use the appointment.

Please **do not** ask the receptionists :

- ◆ For information regarding other patients' appointments.
- ◆ For test results of a patient other than yourself.

This type of information is confidential and therefore cannot be divulged to anyone else and we do not wish to cause offence by being unable to answer your questions.

If you are a carer for another patient we can help, and with their permission pass on appropriate information to you.

If you have any queries, please ask to speak to Miss Amy Carter (Practice Business Manager), who will be pleased to help you.

All staff members will treat all medical documents and knowledge with the strictest of confidence.

**Protect  
Patient  
Information**

## CONFIDENTIALITY AND PATIENT RECORDS

Information contained in your health records is kept confidential at all times and only disclosed to others for purposes related to your health care (except when you have given permission e.g. insurance/mortgage companies).

However, NHS auditors have a duty to carry out routine checks from time to time to determine if claims for payment by the practice have been made correctly.

In the course of these checks, it may be necessary to verify details from patient records. Such checks are undertaken in accordance with strict guidelines agreed with the Care Quality Commission and the Local Medical Committee.

Maintaining patient confidentiality is VERY important to everyone at Wetmore Road Surgery.

## URGENT CALLS - Ring 01283 564848.

When the surgery is closed at 6.00pm an answer machine will give the telephone number for our Out of Hours Service providing cover for patients in the Burton Area.

**This service can be contacted by calling 111.**

**If the situation is critical or life threatening call 999.**

Out of Hours operates from Monday-Friday between 6:00pm and 8:00am, all day and night Saturday, Sunday and Bank Holidays.

## NHS 111 SERVICE

You can call 111 when you need medical help but it's not a 999 emergency. NHS 111 is available 24 hours a day, 365 days a year.

**Calls are free from any landline or mobile phone.**

**when it's less  
urgent than 999**

## REPEAT PRESCRIPTIONS

These can be ordered in the following ways:

- By using the pre-printed computer slip, delivering it in person or by post.
- Or via our secure website using Patient Access.
- On the NHS app

### Prescription requests cannot be made by telephone.

Once received your repeat prescription will be ready for collection within 48 hours.

If you use the postal system to send in your request please allow extra time for delivery.

If you have nominated a pharmacy for electronic prescriptions, it will be sent directly to that pharmacy.

## GP TRAINING

Our practice participates in the advanced training of doctors for general practice. These doctors, known as GP Trainees, are fully qualified doctors and have experience of hospital posts prior to joining us. They work with us for either 4, 6 or 12 months and share all aspects of medical care in liaison with the GP Partners

At times you may be offered an appointment in a video surgery or a shared surgery with another GP, for the purpose of educating junior doctors in a practice environment. For the patient, participation in these surgeries is optional so if you feel uncomfortable about doing this please inform reception.

## WALK-IN CENTRE

There is no facility at present in Burton, but there is one in Swadlincote and another two in Derby. It is advisable to call 111 first, to check opening times.

## COMMENTS AND SUGGESTIONS

The aim of everybody at Wetmore Road Surgery is to provide all our patients with the best care possible.

Your help and ideas in achieving this are most welcome. You can give these in writing to the Practice Manager, using the suggestion box in the Reception Area or verbally to any of the Team.

## PATIENTS' CHARTER

This document sets out the standards of service we aim to provide for you. It also invites every patient to consider his/her own responsibilities when using the service.

Copies are available from reception on request or via our website.

Freedom of Information Leaflets are available free of charge at Reception or from the Practice Business Manager.

**Nasal flu vaccinations** are available for **children aged 2 and 3** and an invitation will be sent in the post. These are also available for children aged **4-18 who have a long term medical condition.**

Please contact the surgery to confirm eligibility for this if unsure

### THE CARE AND SERVICES PROVIDED

Our team works together to provide all our patients with the best possible care, now and in the future. This will include:

- Care of acute problems
- Care of chronic conditions such as diabetes and asthma, which need regular monitoring and an annual review
- Advice and help on health promotion and disease prevention
- Maternity care
- Cervical screening

In addition, specific services include:

- Minor surgery
- Family planning
- Care during pregnancy
- Child health development and immunisations
- IUCD and Contraceptive Implant fitting and reviews
- Minor injury care
- New patient medicals
- Flu and pneumococcal vaccinations

### PRACTICE NURSES

**Practice Nurse Manager:** Sarah Brooker RGN

**Sisters:** Marcela Git RGN, Liz Griffin RGN, Iwona Marczuk RGN, Victoria Sewell

Sarah Ratcliffe Nurse Associate and Tayla Smith HCA.

**Each of the nurses have special interests and skills and are available for information and advice between 8.30am and 5.20pm**

They provide dressing clinics, health checks, smears, family planning, child and travel vaccinations. They monitor chronic conditions such as diabetes, asthma, blood pressure. They also discuss lifestyles, smoking cessation, changing your diet, reducing weight etc.

### RECEPTIONISTS AND ADMINISTRATION TEAM

The receptionists' role is to ease the flow of consultations of patients with the doctors and nurses, so we can see as many patients as possible within the working day. The administration team work behind the scenes providing clerical support.

### PRACTICE MANAGEMENT

Amy Carter is the Practice Business Manager, who is responsible for the overall running of the practice.

Nicola Bailey, our Practice Operations Manager provides support.

They are available to offer advice and receive comments as appropriate.

## ADVANCE NURSE PRACTITIONERS

We have 2 Advanced Nurse Practitioners at the surgery; Ed Wiley has been with us since December 2019 and Shelley Wigglesworth joined us in July 2022. Either one or both of our ANPs are available Monday to Friday 8.30am - 5.00pm. Their role is in addition to the Doctors. They are both able to examine, assess, make diagnoses, treat, prescribe and make referrals for patients who present with undiagnosed/undifferentiated problems.

## COMMUNITY MIDWIFE

Midwife Melinda Wilks runs our Antenatal Clinics at the Childrens Centre, Waterloo Street.

Thursdays 9.20am—12.00am  
Fridays 9.20am— 4:20pm

This service is by appointment only and provides a full service to pregnant women. Pre-pregnancy advice is also available. Parent-craft classes and aqua natal classes are available on request.

## OUTREACH TEAM

Our team of specialists help with our most vulnerable patients providing support both in the practice and at home.

## DISTRICT NURSES

This service is provided by Midlands Partnership Foundation Trust. These nurses provide nursing care to housebound patients.

## CHILDRENS' SERVICES

Health Visitors are no longer based here and now come under County Council control. They can offer you advice and support with your child's growth, development and health. They can be contacted on 01283 505830 (direct-line).

## FACILITIES FOR THE DISABLED

- Car parking spaces and good access to the surgery.
- Separate toilet.
- We provide a wheelchair for use within the surgery.
- A specially adapted counter.
- A loop system for the hard of hearing if needed

## SEASONAL VACCINATIONS

Special flu clinics are available during every flu season.

**Flu vaccinations and Pneumococcal are offered to:**

- All Patients aged over 65 years
- All patients in long term condition 'at risk' groups
- All immunocompromised patients

Please contact the surgery to book your appointment for seasonal flu vaccinations each autumn.
