Welcome to the online
home fire safety check

This easy-to-follow home fire safety check has been developed through a partnership between the National Fire Chiefs Council (NFCC), Fire Kills and Safelincs. It will take you through your home one room at a time and the simple questions will help you spot fire ... as you go around your home.

... ol will offer tips and advice on the steps you can take to reduce those risks. At the end, you will receive a personalised fire ... action plan to help keep you and your household safe from fire.

Top tip	Top tip	Top tip
...moke alarms	Plan your escape route	Get out, stay out and call 999

Postcode: _____

... be able to give you specific fire safety information and advice from your local fire and rescue ... or used for any other purpose.

Y CHECK:

...e tell us if any of the following apply to anyone in your household

...e certain fire risks that are associated with the following activities. By telling us if ...answers apply to anyone in your household, you will help us provide the most ...te fire safety advice. If none of these apply to anyone in your household, please use the "next step" button to move on to the next question.

Smoking (including ...aping)

...se this option if ...yone in your ...ehold smokes ...ettes, cigars, a ...cco pipe, or a ...nisha pipe.

Drinking Alcohol

Choose this option if anyone in your household regularly drinks alcohol. (This means if you drink more than standard glass of wine or a pint of beer each day).
