

Birmingham, Solihull and Black Country Diabetic Eye Screening Programme

From 1 October 2022, the Birmingham, Solihull and Black Country Diabetic Eye Screening Programme will be provided by InHealth Intelligence Ltd.

Patients who use the Diabetic Eye Screening Service will be contacted with the next screening appointment when it is due.

If you use this service, you do not need to do anything

You will receive a booked appointment at your closest clinic. If you need to change your appointment day, time or clinic venue, please contact the Bookings team using the contact details below.
