Publication of GP Net Earnings

"All GP practices are required to declare the mean earnings (eg average pay) for GPs working to deliver NHS services to patients at each practice.

The average pay for GPs working in Palfry Health Centre in the last financial year was £56,544 before tax and National Insurance. This is for 1 full time GP, 1 part time GP and 3 part time locum GP's who worked in the practice for more than six months."

If patients do not have internet access and ask to see this information, it is to be provided either in paper copy, on a poster or by showing the patient the information posted on the practice website.
