Patient Participation Group

Going into the new year, we are looking for new members to join our PPG group. Our practice has an active PPG membership of currently 10 patients. We have a PPG chair who were voted in by the PPG group members. As part of her role the practice care coordinators works closely with the group who meet quarterly at the practice or virtually if members cannot attend.

The aims of the Patient Participation Group (PPG) are as follows:

- To encourage a positive relationship between the patients and the surgery staff, both medical and administrative
- To have a voice for the patient in the practice
- To work constructively and positively to help identify solutions and to work in partnership with the practice and other local organisations
- Carrying out research to find out what matters to patients and discussing the findings with the practice
- To encourage patients to engage in their own healthcare

If you are interested in becoming a PPG member either attending meetings or via a virtual membership please contact the surgery, or email cmicb-cheshire@yorkroadgrouppractice@nhs.net

We would like to wish you all a Merry
Christmas and a happy New Year.

One Ellesmere Port Primary Care Network (PCN) is the collaboration of the 6 GP Practices from across the town who are working together to develop better services for our patient population.
