PATIENT PARTICIPATION GROUP

Minutes

24th September 2024

	<p>Welcome/Apologies</p> <p>Present – Steph, Abbey, Katie Ainsworth</p> <p>Patricia, Anne, Angela, Joan, Gordon, Rachel</p> <p>Thank you all for attending, welcome back to the old members and warm welcome to people joining us for the first time.</p>	<p>Speaker: Steph/Abbey</p>
	<p>Team and Practice Update</p> <ul style="list-style-type: none">• Katie from the PCN attended the meeting and went into depth about the PCN itself. It has many different roles, for example care coordinators, social prescribers, pharmacists, pharmacist tech, occupational therapist, physio, councillors and dietitians. We explained how the inhouse pharmacists can do medication reviews and Atrial fibrillation case findings. PCN board will all vote for things to happen/change in the practices.• We discussed RSV and what this is. Explained the clinics and times.• Flu and covid clinics. We discussed the locations of the clinics with the times. We also explained what the eligibility is. It was discussed why covid eligibility is lower now – less hospital admissions. Flu and covid can be administered together.• Stanney lane is being knocked down. Members discussed bloods going to GS building but this could possibly be too far.• Went through the pharmacy first process and how you can self-refer.	<p>Speaker: KA</p>
	<p>Social Media Campaigns – NHS app</p>	<p>Speaker: Steph/Abbey</p>

	<ul style="list-style-type: none"> • PPG members brought up some issues with the app. Sometimes not letting you see any records/medication. They have been using patient access instead. • Suggested if people could attend library to have a stall and help patients with using the app – on board with this if they could have some training. • Members are happy to look at doing the litter pick, not in winter with the weather and going dark.
