SELF CARE

Be prepared – with a well stocked medicine cabinet

Be aware – many get better on their own

Be responsible – only make an appointment if you have tried self care first

PATIENT CHOICE

Your Doctor should tell you about all the hospital treatment options available

Handforth Clinic (next door)

East Cheshire NHS Trust is planning to move some of its out patient clinics from Handforth Clinic to hospitals in Macclesfield, Congleton and Knutsford. This will have no impact on overall capacity and availability of appointments for these services. The majority of its community services will remain at Handforth.

For more information please refer to the Trust's consultation document available on their website
